

IN THE SPECIFICATION:

Please amend the specification as follows:

Paragraph beginning on page 7, at line 6, has been replaced in its entirety as follows:

--In summation of the above description above, the present invention herein enhances the shape, structure, device, and performance over the conventional structure and overcomes the shortcomings of the prior art, and complies with the requirements of environmental protection and recycle. The present invention further complies with the patent application requirements and is submitted to the Patent and Trademark Office for review and granting of the commensurate patent rights.--
